Information about your Products:

In order for the products included in the **"SHINE line"** initiative to get as much exposure as possible, it is essential that you update the product information online.

This information will appear on the show's website and in the press dossier distributed to the media. You may change and/or update this information at any time. It will be available 365 days/year. Please be in mind that all information for the press will be taken from this source only.

The definitive timetable will be made strictly in order of registration and cannot be modified.

Participation agreement:

The exhibition company and the undersigned hereby state that the product and/or service presented as part of the **"SHINE line"** initiative meets the requirements for participation in this initiative, which will carry out the crystallization of surface by appropriately qualified professionals. The exhibition company agrees to perform all the shows included in the program of events and agrees to appear in the **"SHINE line"** zone one hour before starting their presentation to prepare the surface to be treated.

Hygienalia 2025. "SHINE line" participation fee: 300€ + VAT

1. Conditions of participation for the “SHINE line”

At least 4 companies must participate in Shine Line and there must be no more than 8 participants.

The companies who wish to participate in this demo area must be Hygienalia exhibitors and may give at least 1 demonstration per day and exhibit 1 machine and/or 1 crystallizing liquid in this space.

2. “SHINE line” operation during Hygienalia

“SHINE line” consists of two areas, an exhibition area and a demonstration area.

Demonstration area.

This space consists of two areas of calcareous flooring. Each company will carry out 3 demonstrations (1 per day). One of these will be given on one type of flooring and two on the other type depending on the definitive timetable (this will be strictly in order of registration and cannot be modified).

This lighted space will have an electrical panel and a power point for the machines.

Each company will have a hand and/or lavalier microphone for explaining the process during its demonstration and for the preliminary presentation.

Exhibition area.

Adjacent to the demo area, an exhibition area (of approx. 1 x 1 m) will be prepared for each company in which it may exhibit 1 machine and/or 1 crystallizing liquid. Each company will place next to its products a sign bearing its logo, the product name, and the stand number.

3. Promotion. Where and how the “SHINE line” is promoted

3.1. Online promotion:

Web. Direct access to information about the “SHINE line” from homepage

3.2. Onsite promotion:

a. Visitors app

b. Monographic Press Kit

4. “SHINE line” Participation fee and application form

The participation fee is **300€+VAT**.

If the payment is not made as specified, the Organization reserves the right to automatically cancel the participation of the exhibitor in question.

It is essential to fill in the application form correctly and to send it to the offices of the organization. Places are limited and the definitive acceptance of participation in this project is the competence of the Trade Fair Management and the Organizing Committee, which may reject those applications that in their opinion are not in keeping with the theme.

The deadline for applications is **October 10th, 2025**. No applications will be accepted after this date.
